Celebration Book Club!

Vessels PTA are excited to continue to sponsor the Vessel's School Celebration Book Club! The Celebration Book Club is a way for the library to continue to increase its collection of books while celebrating an event in your child's life, such as; reaching 2nd trimester educational goals, celebrating a birthday, attaining Reading Counts awards, "paws"-itive behaviors, good sportsmanship, making new friends - there are many reasons to celebrate with books! This program also helps promote the lifelong love of reading.

For a donation of only \$20 your child will select a book from one of the great titles attached. A dedication bookplate will be placed inside the front cover identifying the student and occasion being honored. The book will be presented to your child at our monthly Flag Ceremony and your student will then be the first person to check out the book. Once it is returned, the book will become a permanent part of our Vessels Library collection.

Please complete the form below to use whenever you have occasion to honor a special child, relative or teacher and return to your child's teacher with a check for \$20 payable to Vessels PTA. What better way to celebrate than by sharing the gift of reading!

Thank you for your continued support of our school library!

If you have any questions please email Stacy Burke at: stacybvesselspta@yahoo.com
